Nice job. It is time  
to code.

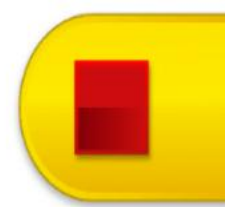

Program 1: Make the crocodile open and close the  
mouth.

Program 2: Make the crocodile snap its jaw shut,  
when you put a finger or Brick inside.

Sequence A: A grey brick icon labeled 'A' is followed by a green block containing a motor icon and a blue box with the number '4'. This is followed by a yellow bracket encompassing a green block with a motor icon and a circular arrow, a green block with a motor icon and an hourglass, a green block with a motor icon and a circular arrow, a green block with a motor icon and an hourglass, and a green block with a motor icon and a circular arrow. Below the last two green blocks are blue boxes containing the number '0.8'. The sequence ends with a yellow block containing a circular arrow icon.

# Tecnoaprendo

Sequence B: A grey brick icon labeled 'B' is followed by a green block with a motor icon and a blue box with '10'. This is followed by a yellow block with an hourglass icon and a small orange block with a brick icon and arrows. This is followed by a green block with a motor icon and a circular arrow, and a green block with a motor icon and an hourglass and a blue box with '1'.
